Curveball v Tuskers (Men's D2B - London Volleyball League)

Bethnal Green to close season

The Divisional Administrator has authorised this meeting after the end of the regular season. Both teams want to finish the season on a winning note and, as our two divisions feed into two higher ones, there was never any possibility of the game affecting the sport's London play-offs.

After some tricky negotiations, Martin Maanon and Jonathan Doyle, team secretaries of home side Curveball and visitors Tuskers respectively, have settled on a mid-day fixture on Sunday 14th May at Green Spring Academy in Bethnal Green. It does not have quite the seating capacity of the Copper Box and the attraction must be near the opposite of top flight but there is plenty of comfortable seating at the venue and with both teams eager for victory, it should be entertaining volleyball. It could be a great idea for part of a trip out with lunch nearby after the game and a visit to the famous Sunday market before it. Whatever you do, don't forget the market. It makes parking nearly impossible for car drivers.

Spring Green Academy, Bethnal Green, 14th May
