Onyx lost to Rebels 21:18 15:21 14:21 21:18 11:15, Women's Premier Division (London Volleyball League)

Onyx take visitors to five sets

Onyx were playing their third game of the season with one win and one loss in their record while Rebels were on court for the second time in the league with a win against IMKA under their belt. Both teams' performance suggested the sport is in for a very competitive season.

In a very tight opening set, Onyx had gained the upper hand by a narrow margin but the visiting side gained the upper hand after changing ends and for two sets looked to be in control, playing well to counter a battling host and taking a 1:2 lead. Onyx continued their endeavours in the following set and, having gained a small advantage, held on to it in an exciting finish

Rebels move to third in the division with a game in hand and no losses; Onyx remain in mid table.
